South Georgia and South Sandwich Islands aggregate energy transition solutions

Overview

Who is Aggreko energy transition solutions?

Aggreko Energy Transition Solutions (ETS), a division of Aggreko Ltd., develops, owns, and operates utility scale and distributed solar and battery storage projects across the United States. ETS generates value by providing turnkey energy transition solutions to its customers that deliver affordable, reliable, and clean power.

Who is Aggreko?

Aggreko is a global leader in providing energy solutions that help businesses grow and communities thrive. Operating in a rapidly changing energy market where reliable supplies of energy have never been more critical, we provide customers with power and temperature control solutions when, where and for however long they need it.

Why did Aggreko create a new division?

Blair Illingworth, CEO at Aggreko, stated, “The creation of the new division with Mr. Polacek and his team will enable Aggreko to meaningfully support the move towards decarbonizing the grid and enhancing energy security through a commitment of capital and organizational resources.”
