Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white solar energy storage units on wheels. The left stack is labeled '20 Kwh', the middle stack '30 Kwh', and the right stack '50 Kwh'. Each unit has a small digital display and control panel. The background shows a house with solar panels on the roof. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right with a wireless signal icon. Two green callout boxes at the bottom highlight 'Thick shell, well protection for inside cells' and 'BMS customization supported'.
