Ultracell IIc Kazakhstan

Overview

What happened to UltraCell LLC?

UltraCell LLC has been acquired by Advent Technologies Holdings, Inc. (NASDAQ: ADN) ("Advent") in a deal involving the fuel cell division of Bren-Tronics, Inc. ("Bren-Tronics").

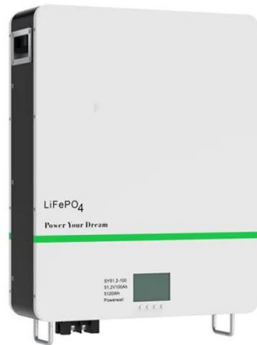

Are ultracell batteries made in USA?

The portable battery chargers produced by UltraCell are the only "Made in USA" fuel cell products approved by the North Atlantic Treaty Organization (NATO), and one of the only two manufacturers across NATO. UltraCell units are already deployed in the field by U.S. military and security agencies.

What services does ultracell offer?

Ultracell offers continuous, professional support through its internal team of experienced advisers and also through its extensive international distribution network. Customers may have technical, marketing and promotional literature provided to them in their own language prepared by our multi-lingual Sales and Marketing Department.
