Why should I become a Solar Grids® franchisee?

When you become a Solar Grids® franchisee, you'll become a member of a solar expert community. You'll have access to a team of professionals who care about helping you become incredibly successful. Our vast amount of tools and resources gives you everything you need to become a successful solar business owner. Why choose solar energy for your new business?

Which solar company has the best service & deals?

Universal Solar Direct has the best service and deals on solar. The process has been super smooth and seamless! They have top notch & quality employees who get the job done. Donovan took great care of me when servicing my solar panels. He gets the job done and is one of the most professional aficionados of solar installation I have ever ment.

How can I become a solar energy business owner?

To become a solar energy business owner with Solar Grids, you don't need any technical degrees, professional licenses, or a solar energy background. All it takes is ambition and determination. Why choose Solar Grids?

You will receive a territory population of 500,000, which is larger than what competitors offer (200,000 - 250,000).

Should you start a solar business?

Starting a solar business through Solar Grids offers multiple streams of income and additional cash-flow. Franchisees can earn extra money not only by selling solar or installing systems, but also by referring investors or investing themselves as a Power Partner, receiving passive monthly payments for 25 years.

Is Brandon a good solar installer?

Highly recommend Brandon for his reliability. The positive impact on my energy bills speaks volumes about the quality of his work. Kudos to Eugene and Universal Solar Direct for their commitment to satisfaction. The installation was efficient, and the job was left spotless.
