Inverter RS Smart Solar Galvanic Isolation

I am sorry Victron, but in every country you have to open repair offices so customers can repair their Victron's products when they destroy them or after warranty period. This is regulations in Bulgaria /every company have to open a repair office or arrange a local company to solve customers aftersales problems/.

Nachalo

Nadezhdni energijni resheniya za vashiya zhivot. Victron Energy predlaga inovativni produkti za zaxranvane na vashite mobilni, of-grid i industrialni sistemi.

Disillusioned in bulgaria

Disillusioned in bulgaria - trouble getting service for inverter On dealer advice, bought a phoenix

12/1200 solely to run a fridge freezer in our house. It worked fine for almost 18 months, then developed a buzzing sound & intermitted red alarm fault.

Dynamic ESS

My system is in Sofia Bulgaria. The local time is correct. VRM time is correct. BUT the exchange time is CET - Central European time and my local time is ONE HOUR before CET. Please see the pictures from today - 16-05-24. Two diagrams ARE the same BUT Bulgarian local time is different.
