The Territorial Assembly of Wallis and Futuna

Political organization Wallis and Futuna is currently divided into three administrative districts, modeled after the three kingdoms of the territory (Uvea, Alo and Sigave). They have competence ranging from civil status to road management. The administrative districts have an autonomous budget and are integrated into the organization of their local and traditional based institutions: ...

CIA

The Futuna island group was discovered by the Dutch in 1616 and Wallis by the British in 1767, but it was the French who declared a protectorate over the islands in 1842. In 1959, the inhabitants of the islands voted to become a French overseas territory.

wf

Statute of Wallis and Futuna (1961)

The Residence de France, built in 1904 in Wallis, housed the residents during the protectorate of Wallis and Futuna.. In 1887 and 1888, under the influence of missionaries, the three customary kings petitioned for annexation by France, thereby inaugurating the protectorate of Wallis and Futuna. [8] A tripartite power system emerged, comprising customary authorities, the clergy, ...
