HUAWEI SmartGuard-63-A-T0 3-Phase Backup-System

The SmartGuard-63A-T0 offers fast switching times of less than ≤ 20 ms to ensure continuous power supply. Thanks to the support of remote start options for generators and the seamless integration into your home energy management, the HUAWEI SmartGuard-63A-T0 not only your energy efficiency, but also your energy costs.

SmartGuard-63A-T0-AUTO , Huawei Smart Guard-Whole Home Backup ...

From offering power backup for partial loads to a total power support of 63 A for the whole house, you've witnessed a great leap*. No additional switchboard is required to support the backup and non-backup loads, because the current range is offering sufficient power supply.

Huawei SmartGuard-63A-T0 Home Backup Box , Alternergy

SmartGuard ensures smooth control of inverter on/off during unstable grid conditions and quickly provides backup power to primary loads in the event of a fault. Furthermore, the integrated EMMA Smart Meter allows electricity tariffs to be handled efficiently.
